Vendor Pre-Qualification Instructions

To Whom It Concerns:

At Summit, we seek to partner with Contractors & Vendors of the highest quality and standards with whom we share similar goals. Our Vendor Pre-Qualification process will help us determine which prospective partners are qualified for the work Summit performs, as well as identify the appropriate opportunities for partnership.

Please complete, in full, the attached Vendor Qualification Statement and return with the applicable submittal documents. For any items which do not apply, please note "Not Applicable" or N/A. Note that incomplete Qualification Statements cannot be processed and that an approved Pre-Qualification is required to prior to working with Summit. Additionally, a completed and/or approved Pre-Qualification does not guarantee work.

Thank you for your interest in partnering with Summit Industrial.
